

Are you working with high value and high risk liquid chemicals?

RAKORD has the solution for you, our self locking quick coupler RAKAUTOLOCK with the patented handles

They close like a "normal" Camlock but after they lock themselves to prevent accidental disconnection.

¿Usted trabaja con productos químicos líquidos de alto valor y alto riesgo?

RAKORD tiene la solución para usted, nuestro enganche rápido autoblocante RAKAUTOLOCK con asas patentadas.

Se cierran como un Camlock "normal" pero después se bloquean para evitar desconexiones accidentales.

Pracujete s vysoce hodnotnými a vysoce rizikovými tekutými chemikáliemi?

RAKORD má pro vás řešení, naši samosvornou rychlospojku RAKAUTOLOCK s patentovanými rukojeťmi

Zavírají se jako „normální“ Camlock, ale poté, co se uzamknou, aby zabránily náhodnému odpojení.
